Capital Markets and M&A

Navigating capital markets and M&A transactions can be a daunting task. It requires a thorough understanding of complex provisions and securities laws/regulations. The Capital Markets and M&A module provides instant access to current and credible insight, guidance and model documents, all authored and updated regularly by leading transactional experts from top Canadian and global law firms. Legal practitioners will benefit from in-depth coverage of a continually expanding range of topics, including:

- Representing clients on transactions such as initial public offerings, bought deals, private placements, business combinations (including plans of arrangement and amalgamations), takeovers and more
- Conducting tasks such as due diligence and drafting deal documents from signing to closing and post-closing
- Preparing disclosure documents and ensuring compliance with securities laws and regulations
- Advising public issuers on corporate governance, securities law and stock exchange requirements
- Market trends and latest developments in Canadian corporate and securities law

With contributions from notable experts, including:
